DETAILED ACTION

1. This communication is in response to amendment filed 10/28/05.

Continued Examination Under 37 CFR 1.114

2. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10/28/05 has been entered.

Response to Amendment

3. Claims 1, 7, 15 and 22-23 have been amended as per amendment request.

Response to Arguments

4. While the amendment has overcome deficiencies outlined in the prior office action (see 112(second) rejection), the claims in the present form contain certain minor deficiencies which must be addressed.

Claim 1 step (a) should be corrected to read “wherein the collection model is based on ..” and “and wherein the non-stationary asset based loans include..”

In step (f) “the non-statutory asset” has no antecedent basis in the claim. It is suggested that it be changed to read “a non-statutory asset”.

(All independent claim should be amended accordingly.)

Art Unit: 3624

In dependent claim 7 is missing step which corresponds to step (b) of claim 1.

Allowable Subject Matter

5. Claims 1-31 are deemed allowable subject to resolution of the informal matters.

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
